

H.L.G Govt. College, Tauru (Nuh)

Attainment of Programme outcomes and course outcomes

Session 2022-23

The syllabus of different courses as provided by the University Programme outcomes and course outcomes are evaluated by the institution effectively. The teachers were continue sly making every possible efforts for the enhancement of effective teaching-learning process, assessment and evaluation of their students. They used ICT techniques to achieve these goals to their largest extent. Many teachers have not only improved their online teaching skills but they impart this knowledge to their students and students have enjoyed the learning. Teachers have made indirect attainment to the students by opting other non-conventional teaching-learning methods in online mode. Both the internal and external assessment work were timely completed as per the course curriculum to achieve the outcomes of each course as designed. The ultimate aim of this college was in the attainment of POs and COs so that the students may develop various skills and proper learning to achieve the targets of better placement in their life.
