Mechanism to deal with internal examination related grievances 2022-23

No grievance reported in the year. This college has always adopted a transparent and effective mechanism to deal with internal assessment related grievances. There is an examination and result committee already constructed and functioning very well in this matter. The concerned committee checked in proper way for smooth conduct of evaluation or assessment work. The internal marks were submitted by the teachers and the same were timely uploaded on website as per the directions of Gurugram University, Gurugram.
